

## **Another TRUE Story about how a Qualstar Visa helped this member SAVE each month...**

*This member came into the branch to ask about cashing out his Holiday Club account to make a payment with another creditor. His concerns sparked my interest, because I don't like to see when members have to close or deplete their savings to pay a bill. So, I asked him a couple of questions about the creditors and then told him about our **1% Visa Balance Transfer offer.***

*We were able to open his Visa and pay off two accounts (at rates of 21.64% & 29.24%) to get those higher interest cards off of his back. **His monthly payment of \$169 has been lowered to \$89, a savings of \$80!***
